(b) You are required to acknowledge the University Research Grant along with the grant number when publishing the article based on the research project.

(c) A softcopy of the final report shall also be submitted in PDF format.

(d) If there is adequate evidence of publication of findings from this research grant as a full paper in a peer-reviewed journal, it is not necessary to submit a final report. In this case, you have to submit a report of publications according to the format recommended by Research and Publication Committee and Senate.

xviii. (a) Subsequent to the submission of the final research report to the Research and Publication Committee, an evaluator will be appointed in accordance with the decision of the Committee to evaluate it upon the recommendation of the Head of the Department or the Dean or when deemed required by the said Committee. As far as possible, attempts are made to employ the evaluator who evaluated the research project proposal to evaluate the final report. After the evaluation, the revised final report shall be submitted to the Research and Publication Division along with the recommendations of the Head of the Department and the Dean, and one copy from it will be issued to the library and another certified copy to the relevant department and to the applicant.

(b) A softcopy of the revised final report shall also be submitted in PDF format.

xix. You are required to present your findings from this research project, during the period of the grant, at any peer-reviewed research conference where the abstract or full paper is published. You will be considered ineligible for any further research grants from the University of Kelaniya until publication of the research abstract.

- xx. If you are the recipient of a research grant worth LKR 300,000/- to LKR 500,000/-, you are required to publish your findings as a full paper in a reputed, peer-reviewed journal, within five years of completion of the grant. You will be considered ineligible for any further research grants from the University of Kelaniya until publication of the full paper.
- xxi. Research reports based on the research project are also encouraged to be presented in the annual academic sessions of the university.
03. Every year, the best researcher from among those who have completed their research projects from University Research Grants during the year under consideration, will be selected for the Vice-Chancellor's awards and considering the number of research abstracts and research publications published and the Impact Factor of the journals in which those research publications have been published, and the said Lecturer will be awarded the Vice-Chancellor's awards.
04. Please find enclosed herewith three copies of the relevant agreement, a copy of the relevant format for submission of progress reports and final reports, and a copy of the format for requests to extend the period of research. Please sign all three copies of the agreement and return them to me within the next two weeks.

Yours faithfully
